

INTERNATIONAL WEEK AT MERSIN UNIVERSITY:
CULTURE AND JOY AT THE MEDITERRANEAN,
IN SUN-CITY MERSIN-TURKEY!
AN ADVENTURE BY ITSELF!

Dear Erasmus Partners,

We are glad to invite you to our International Week at Mersin University, which will be organized for the second time in 09 - 13 May 2016.

Our main aim by arranging this event is to increase collaboration among all participants. Our partners will have the opportunity to make a short presentation of their own institutions on the first or second day of the event. All presentations will be held in English and should cover the structure of the International Service at your Institution, participation and networking in exchange programs, courses / degrees offered in English, activities for international students etc.

The Study Abroad Fair in our main Campus will serve for the same purpose, where students and academic staff will get the chance facing our international guests / partners; we would appreciate, joining the fair with materials as well as with some traditional food / sweets and possibly with a flag of your country.

In addition to this, we will arrange a forum to share and exchange ideas and experiences with our partners.

Please find attached the preliminary program, the application form. As we would like to maximize outcomes of the week and to ensure participation of institutions as many as possible, we can accept a maximum number of 2 participants per institution, -thank you for your understanding.

A detailed agenda and accommodation form will be provided to our guests afterwards.
